President & Vice President Reports

Hey all, First of all, thank you to everyone that served on the 2015-2016 board. The entire year went very well & was very productive, from Tuna's party in July 2015 to the "Can You See Me Now" ride in May 2016, & everything in between. A great big thank you to all that worked to make everything a great success. I would also like to thank those that stepped up for the 16-2017 year. Lots of really cool things coming up in the next few months. Tuna's annual July 4th party is always a blast. Plenty to do the entire wkend. Aug brings boat day, one of my favorites. Then in Sept we take our annual road trip to Cedar Key for Pirate's Fest. Always fun & entertaining. Our July mtg will tell what happened at the state meeting in Sebring. We did not change our date for the July mtg, so hope to see everyone there – ***Till then ride Safe, Ride Free, Griz –***

A 10-yr-old girl was walking home, alone, from school one day, when a big man on a black motorcycle pulls up beside her. After following along for a while, turns to her & asks, "Hey there little girl, do you want to go for a ride?" "NO!" says the little girl as she keeps on walking. The motorcyclist again pulls up beside her & asks, "Hey little girl, I will give you \$10 if you hop on the back." "NO!" says the little girl again as she hurries down the street. The motorcyclist pulls up beside the little girl again & says, "Okay kid, my last offer! I'll give you 20 Bucks "&" a Big Bag of Candy if you will just hop on the back of my bike & we will go for a ride." Finally, the little girl stops & turns towards him & Screams Out... "Look Dad" "You're the one who bought the Honda instead of the Harley ... YOU RIDE IT!!"

May 28th

a ride to support the Fallen Few in Tavares and then off to Journeys to listen to "Maiden Voyage"

---One evening a husband, thinking he was being funny, said to his wife, 'Perhaps we should start washing your clothes in 'Slim Fast'. Maybe it would take a few inches off of your butt!' His wife was not amused, & decided that she simply couldn't let such a comment go unrewarded. The next morning the husband took a pair of his underwear out of his drawer. 'What the heck is this?' he said to himself as a little 'dust' cloud appeared when he shook them out. 'Cathy', he hollered into the bathroom, 'Why did you put talcum powder in my underwear?' She replied with a snicker. 'It's not talcum powder; it's 'Miracle Grow'! ... guys just never learn, do not piss off a woman.

Steele was the winner of our annual pool tourney after June's mtg

-----Ice Fishing - Donald Trump & Hillary Clinton Go Ice Fishing -- After the first round of votes were counted, Hillary Clinton & Donald Trump were deadlocked. Instead of going through a recount, the 2 agreed to a week-long ice fishing contest to settle the election. Whoever caught the most fish at the end of the week would be the President. The candidates decided a remote frozen lake in northern Wisconsin would be the ideal place. No observers were allowed on the fishing rounds, but both candidates would need to have their catches verified & counted each night at 5pm. After Day 1, Trump returned with a total of 10 fish, Hillary came back with nothing. Day 2 finished, & Trump caught another 20 fish, but Hillary once again came back with nothing! That night, Hillary & her cronies got together & accused Trump of being a low-life, cheatin' jerk. Instead of fishing on Day 3, they were just going to follow Trump to spy on him & figure out how he was cheating. Day 3 finished up & Trump had an incredible day, adding 50 fish to his total! That night, Hillary & her democratic buddies got together for the full report on how Donald was cheating. Hillary stood up to give her report & said, "You are not going to believe this, he's cutting holes in the ice!" & that, my friends, tells you all you need to know about the intelligence on the left side of the aisle!

Our Stuff

An old man & a little boy on a donkey were on their way to town. They passed by a group of people who said, "What a shame for that old man to be walking while that perfectly able-bodied boy rides that donkey." So the boy got off the donkey & the old man got on. They later passed by some more people who said, "Why should that little boy have to walk when they have a donkey to ride on". So the little boy got on the donkey & they both rode it. After a while, they passed some more people. They overheard the people say, "That poor donkey must be worn out from carrying both of them." The moral is- you just can't please everyone all the time & if we try we end up carrying a heavy burden.

LUTZ, Fla. -- At about 5:30 p.m. just north of Cnty Line Rd, 2 people on a motorcycle were injured due to a driver's road rage. The person who took the video says he was in utter shock after seeing a driver run over the 2 bikers. He said that the driver of the car ran the bikers off the road & the bikers eventually caught up to the car. Once this happened he pulled out his phone & started recording. The man behind the camera saw the exchange between the driver & the bikers began to get heated & that's when the driver drove his vehicle over the motorcycle. The driver quickly fled the scene & police were able to catch up to him & arrest him. Joe Calderazzo -- a Navy Veteran -- is the man you see being run over. We spoke to him by phone as he was making his way to the hospital to get his leg checked out. "I thought the guy was trying to kill us obviously," Calderazzo explained. "You know you don't know what's going through your mind. Is he going to put the car in reverse? Is he going to turn around? Is he going to stop & pull out a gun? You don't know what's going on." This all happened just after a Memorial Day bike ride for Veterans. The driver has been identified as 31-year-old Robert Paul Vance of Land O' Lks. Vance is being charged with hit-&-run, a moving traffic violation, & aggravated battery. He is a habitual traffic offender.

The driver of a car who allegedly steered his car into, and over, a motorcycle with two riders after an exchange of heated words had his charges upgraded to two counts of attempted murder. The victims are recovering from a broken leg and road rash. NBC's Kerry Sanders reports for TODAY. UPDATE: The FHP has amended the charges against Robert Vance. He is now charged with two counts of attempted murder. Vance is still charged with leaving the scene of a crash with injury and driving with a suspended license. His bond is \$115,000

June 12, 2016 – chapter mbrs were able to attend Biker's Road Rage Rally in Tampa @ Cayman's Cove & got to meet Melanie & Joe, the couple in the incident. – thanks goes to Richard
