

In loving memory of Mary O

Our prayers are with Mary O's family and we want to thank them for the donation to our Christmas family. Jonathon, & Shanna, Everyone at the church thanked us tremendously for our appearance. I just wish that Mary was able to have more time with us for she loved her membership but her health did not allow that ... a reason for which she was very private about. Even I had no idea she had undergone 6 bypasses, along with a number of stints. She refused to go thru anymore, deciding instead to give her life to her God.
