\*\*\*\*\*Look for details on each event in the newsletter and FYI's on emails, events subject to change. Every even month, the 2<sup>nd</sup> week end, chapter delegates go to state meetings through out the state of Florida, always a great road trip, everyone welcome.

\*\*\*We encourage any chapter members to promote rides and gatherings, deadline for the newsletter is the 10<sup>th</sup> of each month.

**May is Motorcycle Safety Awareness Month as proclaimed by the Govern. CTST is planning a program at the AG Center in Tavares during May. Mary Lou will have more details as they are available.**
